On your week...please have all bake sale items at the studio on Monday between 4:30-5pm. Have cookies, brownies and such individually wrapped. Please mark on items that contain nuts. If you can label what you have brought, that helps. (like Choc. Chip, or Strawberry cupcakes, etc) And you need to check the inventory daily to see if you need to restock the sale items. You are responsible for Mon-Thurs of your week. We have 500+ dancers so make plenty!! Items will sell for \$.50 so usually like 2 cookies per customer.
