## **Hi Everyone!!**

We had a Fantastic First Week! Yes, we had a few bugs to work out...but for the most part we ran smoothly and safely! Thank you to all who helped us make that happen. Just wanted to touch base with a few things...

**Tuition:** September Tuition is now due. Tuition is due the first class of each month. And if you haven't pad the Annual Non-Refundable Registration Fee, that is past due at this time.

**Newsletters:** If you lose the email with the Newsletters, a copy of all newsletters can be found on our home page of the website (www.glendasdance.com). It's in the right hand column of information.

**Class Levels:** I have chatted with our Faculty about how the week went. We will talk frequently, especially in the beginning month to see if any level changes or class changes need to be made. Should we feel your dancer would benefit from a different level we will contact you and chat at that time.

**Zoom:** 95% of the parents watching and students taking classes online had no issues. Due to the normal crazy of the first week, the faculty was sometimes delayed in logging into our Zoom session. Things should go smoother this coming week and we should be able to log in, on time, every class. We do ask that if you are a parent wanting to watch the class, please log on in the first 10 minutes. After that, we get going with class and don't really check the wait room after that. Also, make sure you know who your instructor is that is teaching the class....we had several trying to log into the wrong instructor....LOL.

**Viewing Class:** *(Thank you to the Parents who adhered to our Viewing Policy....some missed this in the last email, so I copied and pasted from Newsletter #2)* Due to Covid, we are requesting that parents/grandparents and families **not** come into the studio to watch classes. EXCEPTION: We are allowing one parent with Combo 1 and Combo 2 dancers. For all Level 1-5 dancers, we ask that you watch class from your vehicle via Zoom. We will have a live feed going in all classes. You are welcome to walk them up, come in to use the restroom, pay tuition, use the dancewear store....but then we ask that you exit. We will be walking the dancers downstairs to wait until we see you. We will relax this a bit in a few months, but for now, it's safer with no crowds in the lobby. Thank you in advance for understanding our need to keep our faculty and dancers safe.

REMINDER: All classes will be available on Zoom: (Teacher ID's to get on Zoom to watch or take classes:

**Store/Office:** If you need to come in the studio, please make sure you stand 6 feet apart from the parent in front of you. The store/office will be open during all classes.

**Upcoming October Events:** We will be having "Spirit Weeks" in the month of October! Each week dancers are allowed to participate in things such as "Crazy Leggings Week" and "Costume Week"! So much fun seeing all the creative outfits. Look for more information as October nears.

## **NEWSLETTER #3 Continued:**

**Labor Day:** The studio will be closed Monday, September 7th to observe Labor Day holiday. The studio will be open and classes are running the rest of the week.

**LTD Company :** This is GDC's competing dance company. If you are interested in joining this team, please put your dancer in the LTD class online by Friday, September 11th at 6pm.

We will not be doing our mandatory parent meeting as COVID won't allow that big of a crowd to meet in person. So I will be emailing all in that class on Friday, September 11th after 6pm. I will go over what I plan to do and what you can expect in being in the LTD. You will have until Sunday, September 13th by 6pm, to decide if you are going to join for the 2020-21 season, or wait another year. If you decide to stay in the LTD, you do not need to contact me, I will assume you are in if I don't hear from you. I will begin making our groups and such after Sunday, September 13th. You will receive the LTD notebook folder with all rehearsals and information inside. NOTE: Dancers must be at least 7 years of age and be currently enrolled in ballet, to be on the team.

**Email Addresses :** As you can see, your email addresses are all hidden so no fear of your email information going out to anyone. Oh...and if you have a FaceBook, please go to Glenda's Dance Center's page and click "LIKE"...I give short reminders and announcements on there. As well as Instagram, I give out birthday shout outs to everyone there...search and request to follow glendasdance.
