Hi Everyone! Thank you so much for all who performed in our Christmas Recitals!! (whether in the studio or on the stage at the Art Show) Super big thank you for all the support from the GDC families in helping make this all happen! I was thrilled the City of St. Cloud allowed us to actually have a live show...and I was really proud of all the dancers, experience or newbies, who took the stage and tried their best!! They were amazing!! My heart was overjoyed yesterday...especially when I panned out in the crowd and watched all the parents, relatives and friends' faces when they were watching their dancer on the stage :)) *To my wonderful Faculty and TA's...you guys are the best!! Could NOT have done any of this without you! Thank you for all of your commitment and talent in bringing all these dancers to the stage <3*

Studio Open: The studio is still open and classes are running thru December 18th. GDC will be closed for Christmas break, December 21st thru January 1st with classes resuming on Monday, January 4th.

Costume Bills: Costume Bills were sent home (and posted into your account) the week of Nov. 16th. All costume payments are due in full by Friday December 18th. If you are enrolled in our auto pay feature, I will run those payments on Dec. 18th.

Tuition IMPORTANT: All tuition accounts must be current (paid in full thru Dec) in order for me to order your dancer's costume(s). If you are unsure if you are current, please check your online account. It is available for your use 24/7. If you feel there is an error, please contact me at your convenience. Many are paying the costume, but not tuition. I will be sending tuition notices out via email starting Monday, Dec 14th if you show a balance due (other than costume) .

GDC Covid Policy: I wanted to address and make sure everyone understands GDC's policy in regards to a situation that is occurring quite frequently lately. If your dancer(s) is quarantined from their school or day care for being directly exposed to someone who tested positive for Covid, this quarantine goes for GDC as well. While in most cases this is just a precaution, we have to look out for the best interest of our other families who are trusting us to keep GDC as safe as possible. This personally hurts my heart, but I have to do what's best for the overall well being of the studio and our customers. This is one reason why we incorporated the Zoom feature and continue to keep it going. This way the quarantined dancers can continue to dance and keep up with what's happening in the classroom. Not ideal of course, but better than nothing at all. And of course as always...if your dancer isn't feeling well, keep them home. They are always welcome to Zoom. ;)

Merchandise Orders: As I sent out in the Newsletter #8 on Nov 22nd....ALL merchandise ordered for GDC is in!! And again, I will not be passing ANY of the items to your dancers unless you tell me to or they ask for it. Some stuff is for Christmas, so I don't want to ruin any surprises. We still have a box full of ordered merchandise ready to go home!

Zoom Classes: For these next 2 weeks, for those Zooming in on Ms. Tena's classes....please log into my Zoom link (Ms. Glenda). And Monday nights Hip Hop 4, please attend Tuesday's Hip Hop 4 class at 5:50 pm for these next two weeks (for those zooming HH4, log into Ms. Payton's Zoom for Hip Hop 4 Tuesday at 5:50) Sorry for any inconvenience...all will be back to normal after Christmas break ;)
